

Custom Obstacle Courses for Commercial Facilities

Kidsfit is a full service custom obstacle course manufacturer. Obstacle courses are custom designed to fit the needs of each individual facility. All projects include services from planning and design, 3D CAD room renderings, customization, and full turnkey install. Extended warranty and full service is included standard. Pricing is determined based on the amount of detail required, and can be customized to fit a wide range of budgets. Since 1999, Kidsfit has outfitted large scale YMCA's, Youth Facilities, Pediatric Rehab, Wellness Centers, Military Bases, and Children's Museums worldwide. Our design and planning team relies on extensive research and experience to create environments that make healthy, and most importantly happy kids!

Form OC-1

Please note, request form must be filled out in its entirety prior to receiving a proposal. If information requested below is currently unavailable, please provide approximations. Once form is submitted, we will be in touch to schedule an initial phone consultation. Submit completed forms to fab@kidsfit.com
