

Kidsfit Funding Opportunity Toolkit

Source

Greenwood County Community Foundation (GCCF)

State(s)

Greenwood County, South Carolina

Purpose:

Open Granting: This cycle will be open for any grant request meeting our granting guidelines, but particularly for programs and projects which do not fall within any of the above categories. Any organization which has not received a grant from GCCF during this calendar year may apply in the Open Granting cycle. Requests which were submitted earlier in this calendar year but did not receive funding may be rolled into this cycle.

This section is not open yet but you can keep an eye out for next year!!

Applications received **February 1 – February 28**, reviewed during March, with notifications given and funds granted made available by April 30.

Education and Youth: This granting area includes the variety of all programs and projects which provide an educational foundation for success in achieving one's fullest physical, emotional and intellectual potential. Grants to be considered might include (but are not limited to):

- Education Attainment
- Reducing High School Dropout Rate
- Third Graders Reading at appropriate level
- Early Childhood development and education
- Afterschool and Summer Programs
- Adult Education

Eligibility to apply:

Grants are awarded only 501(c)(3) organizations. (Remember you can partner with a non profit to write for this grant.)

Opportunity

Up to \$5,000

Deadline

Open Granting

Applications received October 1 – October 31, reviewed during November, with notifications given and funds granted made available by December 31.
