TRAINING OVERVIEW

1. Building Passion and Purpose: How and why it is vital to implement movement into the learning process.
2. Why Action Based Learning? Research & Data, Teacher Resources, Case Studies, Action Based Learning & Disruptive student behaviors, Obstacles & Solutions to the implementation of Action Based Learning.
3. How? Understanding and applying the 12 Foundations of Learning - assessment & direct application to the classroom.
4. The Take Away: Take home skills to implement immediately into your classroom will be provided throughout the training. The objective is for educators to leave the training excited and passionate about applying Action Based Learning concepts to the classroom, and most importantly to PREPARE the educator to implement immediately into their classroom. Educators will learn new techniques & activities that they will be able to provide to their students this year!
