

Letter Learning Station

Physical Activity:

- Students each have a balance board and are focused on the letters.
- Students answer using the following activities:
 - Point to the answer
 - Step off balance board and touch answer
 - Use fun manipulatives (magic wand, laser pointer, beanbags) to indicate their answer
- Students could do exercise after each time they answer.

Academics: Helpful to have file folders on the wall that would hold grade level materials

- PK/K:
 - Students have name card and identify letters of their name; try to spell without using name card
 - Identify letters with diagonals, curved and straight lines
 - Trace the letters(place dots on the letters to aid them in start/stop)
- K-2:
 - ABC order
 - Identify letters and sounds
 - Phonics flash cards to identify letter, sound and picture cue
 - Spell 3 letter decodable words; build with word ladders and families
 - Spelling words
- 3rd and up:
 - Spelling words
 - Fry words/phrases
 - Vocabulary words

Safety: Space balance boards apart so students don't lose balance and fall into each other.
