- Other

Kidsfit is excited to work with your team to help transform the way our children learn! Seminars benefit teachers of all levels, nurses, OTs, PTs, parents, administrators, curriculum developers and decision makers. Anyone who attends, will walk away with valuable information which has the power to change lives and transform the future of education. Fulfill your passion and purpose! Training sessions and keynote topics and times are CUSTOMIZED to fit the needs of the attendees. Our Master Trainers are highly trained, highly qualified leaders who are chosen because they are outstanding award winning educators. Each Master Trainer brings their own expertise to our innovative workshops. Our Master Trainers train teachers, principals, and school administrators how to link academics to the movement, with or without kinesthetic desks.

Please submit this form to customerservice@kidsfit.com or FAX: 866-730-2419. A representative will be in touch to send proposal and confirm details.
