

Equipment Lease Finance For Education

TEQlease Education Finance specializes in equipment lease financing solutions for schools, including special programs for charter schools, parochial schools, and schools in operation less than five years. Leases can include IT equipment, school furniture, tablets, phone systems, copiers, playground equipment, security equipment and more.

Customized Solutions

TEQlease Education Finance's customized solutions allow you to acquire, update or replace your equipment through a variety of flexible and cost-effective sourcing and financing options.

Additional Services

TEQlease Education Finance has a wide range of additional equipment lease financing solutions including:

- Lease terms from 24-60 months
- 100% Financing
- All Types of Equipment
- Laptop Replacement Programs
- Equipment obsolescence solutions and technology refresh
- Customized lease options
- Low monthly payments
- Preserve Cash

Our Expertise

Over the last 15 years, TEQlease Education Finance has delivered customized lease financing solutions through its team of experienced EDU professionals to schools throughout the nation. We work closely with you to provide excellent results and solutions.
