How do I know if this training is for me?

-Are you a teacher, admin, principal, OT/PT, Program Coordinator, After School Facility, YMCA, Health Dept. or Parent?

Have you ever said any of the below statements?

-I want to transform my classroom, I want to learn how to better impact these children. I need motivation, I want to renew my passion and purpose in what I do. I want to change the world. I want to meet other people just like myself. I want direction and hands on training from the best. I am ready to take my good school to a great school. I am ready to go from a good teacher, to a great teacher.

If YES, than THIS TRAINING IS FOR YOU!

Training FAQ

What age groups does this training target?

PreK–University Level, PT/OT, Administrators, district coordinators, principals, PE, daycares, etc. ANYONE in the education realm! It is very important to be as detailed as possible on your registration form! Our trainers spend time preparing to meet your specific needs prior to and during the training.

of Attendees per event:

Our priority is to ensure this is a highly personalized and very hands-on training. For this reason, the maximum number of attendees we allow at one time is 30. The smaller the group, the deeper we are able to dive into your specific needs and apply Action Based Learning strategies directly to your environment.

I'm interested but not ready to sign up yet

No problem! Just send an email to customerservice@kidsfit.com. Let us know the names of the people you would like to pencil in. This will hold your spot for the training up until 30 days prior to the event. If we have not received your registration form at that point, your spot will be released for other attendees, at no penalty to you!

Travel Arrangements

1. Flights – Charleston Airport (CHS) 5500 International Blvd, Charleston, SC 29418. We recommend you fly into CHS airport the evening before the training. We do have quite a few attendees extend their stay to enjoy CHS. If you

decide to do so, let us know so we can make sure you receive an extended group rate!

2. Rental Cars- We highly recommend a rental car for this training. We have found past attendees have appreciated the ability to explore Charleston during the evening, as well as flexibility to travel between the hotel and training site.
3. Hotel - The group rate hotel is chosen each training based on convenience to you - We take into account the proximity to the airport, the training site, distance from local restaurants, and of course, affordability. Because of this, we do recommend booking through the Group Rate. "Charleston" encompasses a wide range of smaller cities within it, so if you are not familiar with the area, it may become misleading when booking at another hotel in the area.
4. Training Site - Kidsfit 2130 Cainhoy Rd. Huger, SC 29450
Please note the training is held at our manufacturing facility. This way, attendees are able to experience the kinesthetic desks, and action based learning equipment firsthand throughout the training! The facility is about 20 minutes from the host hotel, in an industrial zone. For those flying from out of town, we do recommend a rental car for this training. Directions listed below.

Directions

From Hotel: 1650 James Nelson Rd, Mt Pleasant, SC

Turn Left onto 17N (drive 3 miles)

Turn Left onto 41 N (drive 5 miles)

Turn Right onto Cainhoy Rd (drive 5.3 miles)

***Cainhoy Rd. is an industrial zone, you will pass train tracks, Nucor Steele, and continue until you see a group of white buildings on your Right (We are in the same parking lot as Jerry's Stop) Turn here into the parking lot and you have arrived at Kidsfit! There will be signs pointing you in the right direction. 2130 Cainhoy Rd. Huger, SC**

What time should I arrive?

The facility opens at 9am. We ask that all attendees arrive by this time. We aim to get started training by 9:15am.

Attire/What to Bring

Attire is Casual- We will be moving throughout the day, so make sure to dress comfortably! Charleston is very warm, but known for frequent changes in weather throughout the day, so layering is always the best option! Attendees may want to bring an extra notebook to take notes, Laptops are optional. Water will be provided, but feel free to bring a water bottle to have access to throughout the day.

Food

Lunch will be provided on-site each day, as well as snack bars and water bottles. If there are any special dietary requests or allergies, we MUST be alerted at the time of registration. We cannot guarantee a special meal request if the restaurant is not alerted in advance.
