At Hosanna, we have a vision to grow with irresistible love, generosity, and unity. Having access to data and insights about our congregation now enables us to understand where people are on their journey and surfaces opportunities to connect with people in our community who might need it most.

Jennifer Ford

| Executive Director of Ministry Services

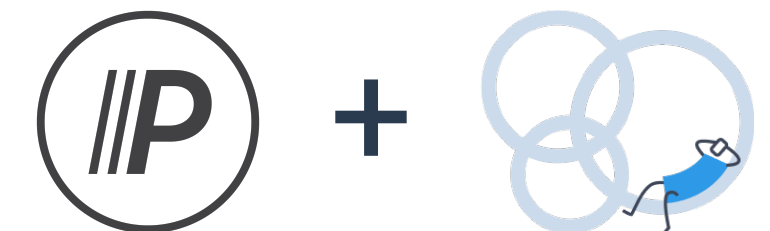

HOSANNA
CHURCH

Benefits of our recent merger:

- Ability to help churches attract new members, grow participation and increase giving - while having the right tools to manage that growth
- Ability to leverage strengths and expertise from each organization
- Over time, a closer integration for our mutual customers with a more streamlined experience
- Ability to offer a unique bundled product and pricing offer for joint customers (ChMS, digital giving, app, donor development and world-class support)
- Ability to continue investment of our existing solutions and integrations with other software partners
- Continue to offer stand alone product to match customers needs

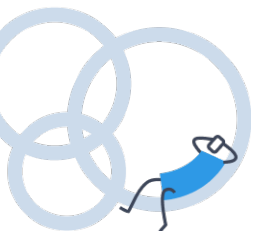

Top development priorities:

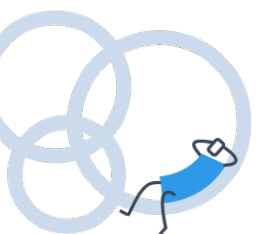

- Seamless customer care experience for joint customers
- Enhanced experience for financial admins when using Church Community Builder and Pushpay together
- Delivering a congregant app and giving solution for Church Community Builder customers
