

# A single answer to your biggest headaches

## Manage and Empower Your Mortgage Workforce With the Cloud

### With ABT and MortgageWorkSpace®, your company can:

- ▶ Maintain compliance with constantly changing data and security regulations. ABT works directly with federal and state auditors to ensure our customers are 100% compliant with new banking standards and the Safeguards Rule .
- ▶ Enjoy on-the-go productivity with Microsoft Office 365 and worry-free mobility management, because it is fully deployed, managed, and supported by ABT .
- ▶ Deliver a customer-focused, convenient mortgage experience that protects your customers' personal and financial data .
- ▶ Efficiently manage your mortgage business with customized, integrated applications that meet your specific systems requirements .
- ▶ Access your data at a moment's notice and easily generate custom reports with our simple, flexible tools.

# With ABT your company is covered

MortgageWorkSpace® is a cloud workspace platform built specifically for mortgage professionals. It hosts all the software applications and data you need to run your mortgage business.

## MORTGAGE WORKSPACE®

### Mortgage Business Intelligence

Visualize the power to be insightful, accurate and predict your business.

- ▶ Mortgage BI is a business analytics service that enables you to see all of your data through a single pane of glass.
- ▶ View corporate, region, branch and employee performance. Watch trend and historical analyses of your reports monthly, quarterly and year-to-date.

### Microsoft Office 365

Anytime, anywhere productivity with the Office 365 2016 suite of products.

- ▶ Microsoft Office 365 is configured specifically for the mortgage industry in order to comply with strict banking standard protocols.
- ▶ Anytime, anywhere productivity with the full Office 365 2016 suite of products.

### Custom Company Portal

Identity and access management in the cloud.

- ▶ Increased security with multi-factor authentication (MFA). Provides single sign-on to thousands of cloud (SaaS) apps and access to web apps you run on-premises.
- ▶ Ability to monitor device health, user location. Built in identity, security reports, audits, and alerts.

### DocumentGuardian™

DocumentGuardian™ makes document compliance and security easy for both you and your customers.

- ▶ Recommended by compliance auditors, DocumentGuardian™ is the safest and easiest way for your borrowers to send documents securely.
- ▶ Customers simply drag-and-drop documents without registering or creating passwords. Files are dropped directly to your virtual folder on the cloud.

### About ABT:

Access Business Technologies, headquartered in Northern California, was founded in 1999 as a leading provider of hosted, on-demand software for mortgage loan origination, servicing and pipeline management. Access Business Technologies (ABT) provides access to business technologies that empower mortgage professionals to safely perform at the top of their game anytime, anywhere. ABT proactively supports, defends and manages game-changing technologies and processes that help mortgage professionals excel.

We are a certified SSAE 16 Type II cloud solution provider to over 500 mortgage financial institutions. We are partnered with nearly a dozen leading mortgage software vendors. Our partnerships with the best mortgage software in the world integrate our cloud suite of products, to empower your workforce to produce more loans safely anywhere and anytime.
