

## **American Payment Solutions and Stash Hotel Rewards are Excited to Announce a Partnership Agreement to Offer Exclusive Credit Card Processing Rates to Stash Hotels**

*Stash Rewards, the award-winning loyalty program for independent hotels, announced today that they have signed an agreement to offer American Payment Solutions [credit card processing solutions](#) to their hotel partners throughout the United States and its territories.*

Mesa, AZ ([PRWEB](#)) October 20, 2015 -- Phil Heath, National Sales Director for American Payment Solutions added, “We are extremely thrilled to partner with Stash Rewards to offer exclusive [credit card processing](#) pricing coupled with our exemplary 24/7 customer support. Stash Rewards is an up-and-comer with extremely innovative ideas. I can’t think of a better company to partner with.”

“Stash has created a network of savvy, fiercely independent hoteliers, and now being a part of Stash means not only having an award-winning loyalty program and receiving exposure through the Stash Visa Card, but also gaining the opportunity to save significantly on credit card processing costs. We’re confident our hotel partners will love working with APS,” stated Booth Hodde, Chief Operating Officer for Stash Rewards.
