Polycom® RealPresence® Utility Cart 500

Bring the expert on location for immediate answers to time sensitive questions

When time is of the essence and getting a question or issue resolved quickly is important, you need to get the right resource to the right place quickly.

The Polycom® RealPresence® Utility Cart 500 solution is a flexible, movable videoconferencing solution that brings experts on location for immediate answers to time sensitive questions no matter where they are located.

The optional battery-kit with user-supplied wireless network bridge allows the RealPresence Utility Cart 500 to be completely mobile without any power or network wire concerns.

Based on the Polycom® RealPresence® Group 500 codec, this solution is designed to allow the video and audio system to be easily moved from location to location.

Polycom RealPresence video solutions deliver a breakthrough user experience with customizable user interface, intuitive graphic design and stylish form factor. Now you can experience the superior Polycom® HD Voice™ and video you’ve come to expect from Polycom with the flexibility you need.

The Utility Cart 500 is a key element of the total Polycom visual communication solution, which includes seamless integration with the Polycom® RealPresence® Platform.
