

# Notified Body Opinion

## *Retlif Testing Laboratories*

795 Marconi Avenue  
Ronkonkoma, NY 11779

**Notified Body No.:** 1000  
**Date of Issue:** December 23, 2011  
**Certificate Number:** 1000-1-1743P  
**Product:** SE Series Standard-Band, M-Band and H-Band Transmitter,  
Non-Directional Radio Beacon  
**Model(s):** SE125 & SE250 Rack Mount  
**Brand Name:** Southern Avionics Company  
**Manufacturer:** Southern Avionics Company  
5000 Belmont Street  
Beaumont, TX 77706 U.S.A  
**Intended Use:** Aid to Navigation  
**TCF Reference:** SE Series Technical Construction File, SD480004 Rev. B  
**TCF Date:** December 22, 2010

### Opinion:

It is the opinion of Retlif Testing Laboratories, based upon a review of the above referenced technical construction file, that the product has demonstrated compliance with the Essential Requirements of Council Directive 1999/5/EC on Radio Equipment and Telecommunications Terminal Equipment and the Mutual Recognition of their Conformity. Specifically with respect to the protection of health and safety including those requirements contained in Directive 2006/95/EEC, the protection requirements with respect to electromagnetic compatibility contained in Directive 2004/108/EC and use of the radio spectrum.

Authorized Signatory:

Richard J. Reitz  
Corporate Laboratory Manager

This certificate applies only to the equipment referenced hereon and detailed within the submitted technical construction file. The documentation supplied with the product at the time it is placed upon the market must include any limitations on use or special provisions required by the user or installer to ensure conformance with the requirements of this Directive.

Retlif Testing Laboratories has been designated by NIST as a Conformity Assessment Body (CAB) under EU Directive 1999/5/EC, the R&TTE Directive. Retlif Testing Laboratories is operating as a Notified Body under Annex IV of the Directive.
