

# WHERE IS CableFinder

## 2022 Summer Contest

---

We are launching a fun summer contest starting Memorial Day that will run through Labor Day. From simply posting a picture, you'll have the opportunity to win various prizes! CableFinder reserves the right to modify the contest terms at any time.

## How to Participate

---

While you head out on vacation this summer, be sure to pack your CableFinder YETI! Take a picture showing your CableFinder YETI and post to LinkedIn with the hashtag #WhereIsCableFinder. Each picture you take will qualify for an entry - the more pictures you take, the more chances you have to win!

Prizes will be awarded to the most entries, the most creative picture, and a 'People's Choice' winner.
