You’re part of something big. Unprecedented. Impactful.

With every dollar you gave and wall you raised in the last year, you made history. These numbers show your impact from July 1, 2017 through June 30, 2018. They tell the story of what’s possible when we come together to build stable homes and brighter futures.

…and this is only the beginning.

Thank you.

PROGRAM IMPACT

92 families
Bought homes with Habitat

2x the previous year and the most in our history

61 Habitat-developed homes

31 open market purchases

YOUR IMPACT UP CLOSE

Kera is among the first to buy a home on the open market using an affordable Habitat mortgage. Your support gave Kera access to education, financial coaching, and a mortgage she could afford.

“Habitat’s putting you in this amazing position to succeed, so you will. It will lay the foundation for whatever you want to do!”

Her family is loving their new home, and Kera is now making space for her grandma to come live with her. When you’ve got a stable home, you can take care of your loved ones. That’s the power of your support.

SHAUNA

Shauna admits that she took her Habitat home for granted. But as she got into high school, her eyes were opened.

“I’ve seen too many friends fall off the road, they didn’t have that stable place to start their lives. They didn’t have the blessings and opportunities I had because of what Habitat did for my family.”

Donors and volunteers like you made sure Shauna grew up with a safe, stable place to study. Now, she’s on a full ride scholarship to Lawrence University in Wisconsin. She always had that potential within her—

you helped unlock it.

YOUR IMPACT ON GENERATIONS

56 non-Habitat homeowners received counseling to prevent foreclosure

59 projects occurred in Habitat’s Neighborhood Revitalization focus areas:

JORDAN NEIGHBORHOOD OF MINNEAPOLIS

PROGTOWN NEIGHBORHOOD OF ST. PAUL

198 people graduated from homeownership advising into mortgage readiness

8 Habitat homeowners paid off their mortgages, joining 104 others

“We are proud to co-chair the Multiplying the Impact campaign because we recognize that home is the foundation of every aspect of our lives. It effects our work, family, schools, and finances. And we know that Habitat provides that foundation for so many families in the Twin Cities.”

Jay and Gail Lund, co-chairs of Multiplying the Impact Campaign
“It’s such an exciting time to be involved with Habitat. There’s a lot of energy in the community for the huge impact of Habitat’s work. As Habitat doubles the number of opportunities it creates, we need to rally our friends and neighbors to join the cause!”

“It’s good for us to get out into the community too, and to get our hands dirty a little bit.”

Dick Pursley, volunteer with Great River Energy
“Our communities need and deserve a resilient housing system, and Twin Cities Habitat is moving us one step closer to making Minnesota a national model for addressing housing affordability – and more importantly, it is connecting families with homeownership each and every day. The work produces tangible, life-changing impacts that affects all of our communities.”

“We are pleased to support Twin Cities Habitat and appreciate its innovative ways of achieving greater impact. By adapting its model, the organization dramatically increased the number of people it serves annually, especially in communities of color. A good home establishes a foundation that families can enjoy and build on for generations.”

Kate Wolford, President of McKnight Foundation
