

Your VOICE matters. Your VOTE matters.

Our local, state, and federal elected officials make important decisions that impact our everyday lives—including where we live. Too many Minnesotans do not have access to safe, stable, affordable housing—together we can change that!

TAKE ACTION!

Educate candidates about the need for affordable housing. Share these facts and questions with candidates that knock on your door or during public events.

Fact: More than 1 in 4 Minnesotans (nearly 550,000 families) spend more than 30% of their income on housing.

Ask: What will you do to increase affordable housing options so families can focus on work, school, and health?

Fact: Statewide, there is a deficit of 92,439 affordable housing units available for Minnesotans at the lowest incomes.

Ask: What local, state, or federal resources will you target to address Minnesota's affordable housing shortage?

Share why affordable housing matters to you in your community!

Tell your story...

Twin Cities Habitat for Humanity partners with families, volunteers, and the statewide Homes for All Coalition to make safe, stable, affordable housing a reality for more Minnesotans. We invite our elected officials to be a part of the solution!

It is your constitutional right to vote – and we want to help you. Here are some key dates for you to remember:

- September 12:** Homes for All Governor Candidates forum (Duluth DECC at 5:30 p.m.)
Watch the LIVE stream at <https://goo.gl/a9YhFY>
- September 21 - November 5:** Early voting (visit: mnvotes.org)
- October 16:** Advance voter registration deadline (to save time on Election Day)
- November 6:** **Election Day (you can also register at the polls)**

Visit the MN Secretary of State website to find out where to vote and more: mnvotes.org
