Welcome to the (virtual) party of the year!

Thank you for tuning in to our **Hard Hat & Black Tie Gala on Saturday, May 2, at 7:30 p.m.** Just because we're going virtual doesn't mean we can't have fun! Get ready to build homes from the comfort of yours with this pre-party packet. It contains everything you'll need to have the perfect virtual Hard Hat & Black Tie experience.

In this packet, you'll find:

- A list of **local restaurants that deliver** so you can choose your favorite meal for the party
- A list of **brewery sponsors of Habitat's House that Beer Built that offer pick-up or delivery** so you can have a cold one and support Habitat's sponsors
- One Hard Hat & Black Tie **bingo card** so you can keep track of the best Hard Hat & Black Tie moments—and have a chance to win a prize
- Two signature **cocktail recipes** so you can raise a glass to all the generosity you're about to experience. Ingredients can be found at Caribou Coffee (drive-thru or curbside) and at local liquor stores listed on Brother Justus Whiskey Company's website.

Plus, we've got a few more pro tips for you to make this the best Hard Hat & Black Tie ever:

Become a fundraiser.

Gifts for Hard Hat & Black Tie will support our new At Home Fund to protect homeowners and multiply Habitat homeownership opportunities during this crisis. As we face a looming recession and foreclosure crisis, your support is more important now than ever before. You can multiply your impact by becoming a fundraiser. In a few simple steps, create your own fundraising page and encourage your friends and family to donate—even before the event begins.

Get started at 2020hhbt.funraise.org

Host a virtual watch party.

Set up your own "virtual watch party" with your friends and family. Create a video call using tools like Zoom, Google Hangouts, Facetime, etc. so you can all enjoy the program together. It will be just like you're sharing a table at the gala!

Share your Construction Couture with #HardHatGala.

Hard Hat & Black Tie is all about mixing gala glam with hard hats and tools. We call it "construction couture." Go all out with your construction couture ensemble. You can even get your kids and/or pets involved. Check out our Pinterest Page for inspiration. And when you've got your look down, share it on social media with **#HardHatGala**

A stable home is more important now than ever before. Your gifts will support homeowners and multiply Habitat homeownership opportunities in the Twin Cities. Remember—*please be generous.*

Get your cocktails and construction couture ready, and we'll see you (virtually) on May 2!
