Supervision Guidelines

Youth ages 14–15 are allowed to volunteer at the ReStore and on landscaping projects if there is one-to-one adult supervision.

Youth ages 16–18 are allowed to volunteer on construction sites if there is one adult for every four youth. Youth in this age group are prohibited from certain activities, including entering the immediate area of hazardous equipment or material.

Financial Contribution

In addition to labor and donated materials, Twin Cities Habitat depends on the financial support of volunteer groups to defray the costs of construction.

A donation corresponding to your level of participation is vital to our mission

Pledge (required)
