

How To Make Payment

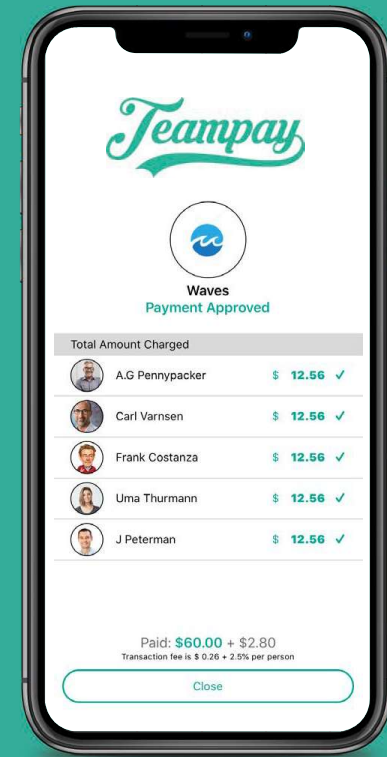

1

2

3

The fees will then be split evenly for each player. Click 'Confirm' to process payment

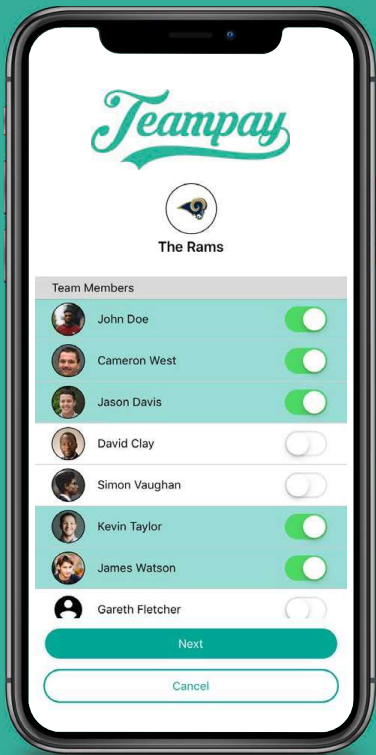

Payment will then process. This can take up to a minute so don't close out of your app

A payment approval screen will then appear indicating each payment that has gone through

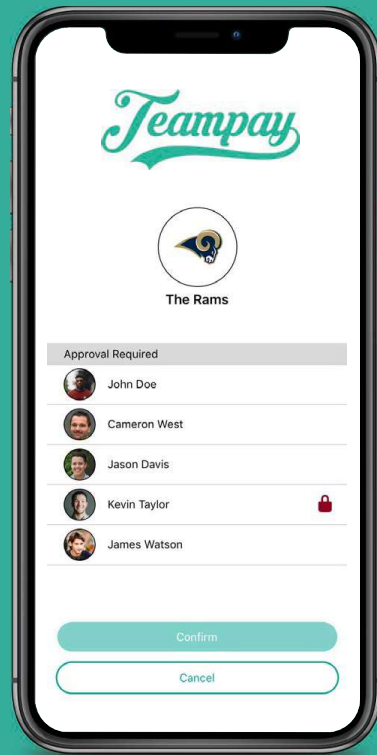

How To Make Payment - Pin Protection

You can add a pin protection to your account to protect any unauthorised payments

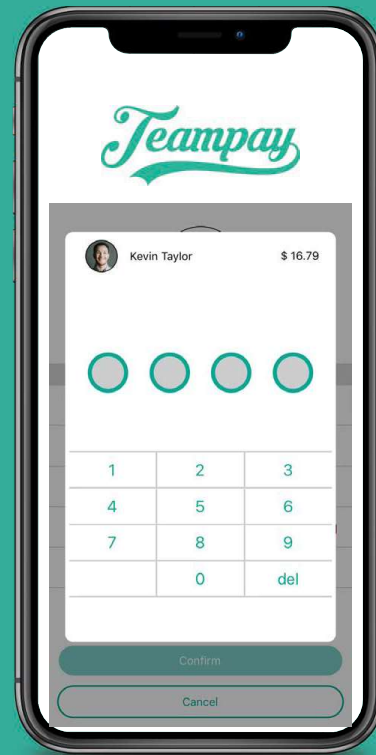

1

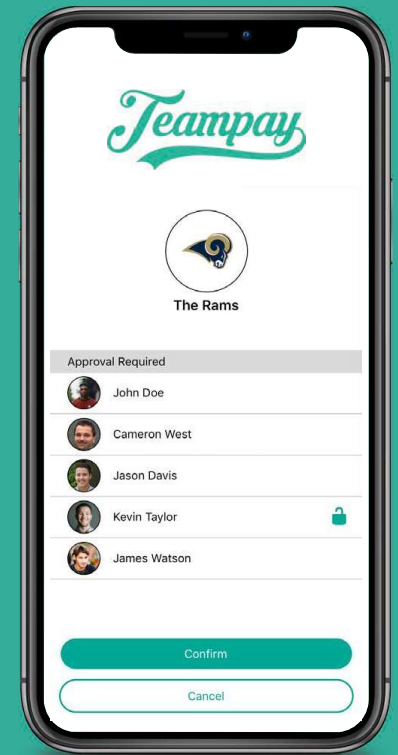

2

3

4

Follow the normal process to make payment and tap 'Next'

A red padlock will appear next to anyone that has a pin protection

Tap on the red padlock and have your teammate enter their 4 digit pin code

A green padlock will then allow you to tap confirm and process payments
