

Wiley Blevins

Author

Wiley Blevins is the author of Sadlier's new *From Phonics to Reading* for Grades K–3. This program is a comprehensive foundational skills program that incorporates **7 Key Characteristics of Strong Phonics Instruction**. Embedded professional development along with a critical review and repetition cycle make early reading mastery possible for every student.

Wiley Blevins has taught elementary school in both the United States and South America. A graduate of Harvard Graduate School of Education, he has written over 15 books for teachers (including *Phonics from A to Z*, *A Fresh Look at Phonics*, *Building Fluency*, and *Teaching Nonfiction*), authored elementary reading programs, conducted research on topics ranging from fluency to using decodable text, and regularly trains teachers throughout the United States and Asia. His current interests include using adaptive technology and working with districts to correct instructional and material deficits. Wiley lives in New York City and also writes children's books.
