

# Specialty Insurance Programs

Managed By  **Stuckey**  
& COMPANY

## SafetyTek ( Technology Industry )

Our technology professional liability program includes broad coverage, low minimum premiums and competitively priced for even the most complex services. In house authority for revenues up to \$25M and \$5M limits.

 Maggie Hammett  [maggie@stuckey.com](mailto:maggie@stuckey.com)  800-828-3452 x 121

## Commercial ( IT Insurance )

Gain access to our national A+ rated carriers offering BOP, Workers Compensation, Business Automobile, Bonds, EPLI, D&O and Inland Marine. Our personal service and close communication sets us apart.

 Kyle Dallavis  [kyle@stuckey.com](mailto:kyle@stuckey.com)  800-828-3452 x 125

## MPL ( Miscellaneous Professional Liability )

Spread out! Our professional liability program encompasses more than 300 different hazard classes among many of the industry's top rated carriers. Our experience in dealing with the unique risks translates to quality coverage offered at affordable premiums. From court reporters to dog groomers, financial consultants to lawyers, we have a product for you at an affordable price.

 Michelle Hovis  [michelle@stuckey.com](mailto:michelle@stuckey.com)  800-828-3452 x 135

## Surplus Lines

Contractors, General Contractors, Handymen, Lessor's Risk, Restaurants, Bars / Taverns, Habitational, Vacant Buildings, etc. Competitive Rates and Coverage with a quick turnaround.

 Kerry Stuckey  [kerry@stuckey.com](mailto:kerry@stuckey.com)  800-828-3452 x 114

## Aspire A&E ( Architects and Engineers )

Aspire A&E, Stuckey's insurance program for architects and engineers, is designed for firms with less than \$1,500,000 in annual revenue. Aspire A&E was designed to give small firms easy access to competitively priced, clearly defined, broad Errors and Omissions.

 Michelle Hovis  [dwight@stuckey.com](mailto:dwight@stuckey.com)  800-828-3452 x 135

## Personal (Personal Lines Insurance Program)

Our personal lines insurance program provides free access to our online comparison rater that is fast and easy to use. For affluent customers we can offer access to 3 out of the 4 nationwide high value home markets.

 Stacy Stafford  [stacy@stuckey.com](mailto:stacy@stuckey.com)  800-828-3452 x 130

## Element ( Green Energy Industry )

This includes solar, wind, geothermal, and biomass markets. Whether your company is in research and development; manufacturing; transit; construction; installation, or power generation we can tailor your insurance needs for the ever-growing Green Energy Industry.

 Kyle Dallavis  [kyle@stuckey.com](mailto:kyle@stuckey.com)  800-828-3452 x 125

## Service Pro ( Appliance Repair Industry )

This comprehensive package of property, general liability, workers compensation, commercial auto and umbrella coverage is a valuable safeguard to potential liabilities you face as a service professional includes handyman.

 Kyle Dallavis  [kyle@stuckey.com](mailto:kyle@stuckey.com)  800-828-3452 x 125

## HarborGuard ( Marine Industry )

The HarborGuard program launched our company over 20 years ago. Today, we still offer the most comprehensive program for this specialized market, with tailored liability insurance for a wide variety of businesses, including marinas and boat yards, boat dealers, and marine artisans, including boat repair and supply shops.

 Jerry Lovin  [jerry@stuckey.com](mailto:jerry@stuckey.com)  800-828-3452 x 127

## Mobile Rhino (Mobile Devices Insurance)

Mobile Rhino is an insurance program for smartphones and tablets. Mobile Rhino is a true insurance program offered through licensed insurance agents only. Coverage includes loss, theft, accidental damage, mechanical malfunction, electrical malfunction and digital life.
