

MOBILE RHINO
FOR EDUCATION

AN INSURANCE SOLUTION FOR
MOBILE DEVICE PROTECTION

Because Technology is an integral
part of today's classrooms

WHY MOBILE RHINO?

Mobile Rhino for education is the insurance program that protects digital devices in the classroom. Offered exclusively through your local, licensed insurance agent.

PUBLIC, PRIVATE AND SECONDARY EDUCATION

Mobile Rhino is designed by educators for the educational market. We can match the unique needs of your public, private or higher education institution.

ONE CLICK CLAIM PORTAL AND 24/7 TOLL FREE SUPPORT

Open a claim and get your devices repaired quickly through a certified repair facility. Once the claim is opened you can view the status of your claim.

FULL COVERAGE WITH OPTIONS

Choose the plan that best fits your needs: Full Protection including loss and theft, accidental damage, warranty only, repair service with no protection or simply purchase parts at wholesale rates.

FAST REPAIR WITH OPTIONS

It's all about getting the device back into the educators and students hands. We have specialized claims facilities that specialize in different device types. Onsite repair service is available too.

FLEXIBLE: TABLETS, LAPTOPS, DESKTOPS AND PHONES

Windows (tablet), Surface Pro, Mac OS X, iOS, Android or Chrome Devices, etc. All of these devices and more are eligible.

ZERO DEDUCTIBLE

Our most popular plan has a \$0 deductible. If that doesn't fit your needs, you can choose a \$25, \$50 and \$100 option.

PROFESSIONAL, LICENSED AND CERTIFIED

This is the first mobile device protection plan to be offered through local licensed professional insurance agents. The same trusted partner that is currently helping you.

GUARANTEED BUY-BACK

Our quotes will include guaranteed buy-back prices for 1,2,3 and 4 years. We can also offer asset recovery assistance at any time.

TYPES OF PLANS

LOSS / THEFT

Full insurance protection includes claims resulting from loss and theft. On average, 9% of your claims will be from loss and theft.

ACCIDENTAL DAMAGE

Losses included are liquid submersion, cracked screen, accidental damage, mechanical malfunction, electrical malfunction or even during manufacturer warranty.

ON DEMAND REPAIR

If you choose not to transfer the financial risk of your digital device program to an insurance partner then you can try our on demand repair. Our services is among the fastest and most cost effective in the industry.

PARTS ONLY PLAN

Try our Parts Only Plan if your organization employs your own tech repair staff. We can give wholesale pricing on an extensive range of products.

TYPES OF DEVICES COVERED

TABLETS

From Apples iPad Pro to Andoid's Google Nexus, Surface Pro and Samsung tablets. We have the repair experts to service your devices.

LAPTOPS

The world of laptops is filled with different sizes, styles, operating systems and options. We can repair / replace the oldest windows laptop and the newest Mac OS based machines.

DESKTOPS

We can even include coverage for your desktop towers. Network and graphics cards, processors, CD or DVD drives, etc.

PERIPHERALS

Have smartboards, printers, scanners or other devices? We can help there, too.

DEVICE PORTAL

SUBMIT CLAIM

Login and submit a claim at your convenience 24 hours a day, 7 days a week. No printed forms to complete, no red tape.

STATUS OF CLAIM

Once the claim is submitted you can use the portal to view the status of the claim. Our job is to get the device back into your students hands quickly.

MANAGE DEVICES

Add and subtract devices, edit serial numbers or view your insurance documents, all from within your own device management portal.
