- Earn the Certificate of Completion

Sales & Service Center: 3393 W Warren Ave Fremont, CA Phone: 510.933.6200 Web: northerncal.swagelok.com

Valve Installation & Maintenance

A formal Swagelok training program brought to you by Swagelok Northern California

Valves are supposed to open or close, regulate flow, switch flow directions, and provide safety relief. Installation and maintenance largely determine how well they do their job – and how long.

If valve performance is important in your work, this course offers valuable insight into maximizing valve life and performance.
