

HERCULITE®

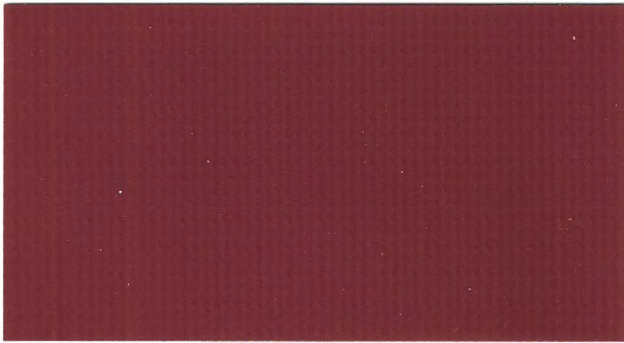

EXCEL M Series™

2013-2014

62" 18-oz per square yard (Standard Pack 50 Yards)

Excel M Series™ is a revolutionary architectural textile composite. Engineered-in-America, it utilizes a unique hybrid construction which delivers exceptional tear and tensile strength blended with flexibility and softness. Excel M Series surface is protected with our Rain-Kleen® Fluoropolymer and comes with our elegant Pearl-Luster finish providing incomparable abrasion and scratch resistance as well as extraordinary aesthetic appeal. Excel M Series is 100% waterproof, heat and RF weldable, and is well suited for commercial and residential structures alike. It is engineered to protect people and furnishings from weather while maintaining an architectural fabric statement of sustainability.
